

Kona

100% Kiwi owned.

The Hyundai brand has grown rapidly into a global automotive powerhouse, but first and foremost we are a local business. Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. This means we are a New Zealand company helping New Zealanders grow.

Live a vibrant life.

Kona signals the arrival of a new generation of Hyundai SUVs. A generation that refuses to be bound to a singular way of thinking. Because let's face it, one size doesn't always fit all, and that's what makes the Kona so different.

It's all about freedom of choice, and the Kona gives you the freedom to choose how you present yourself (and your individuality) to the world. By putting the power in your hands, the Kona becomes an extension of you.

It's sleek, easy on the eye, well connected, and with plenty of colour combinations, you'll be able to style it just the way you like it.

Kona 1.6T Elite AWD in Pulse Red/Black two-tone shown

Designed for the adventure.

The Kona is designed with independence and fun in mind.

Confident, vibrant, sporty and full of personality, its cascading front grille, slim LED daytime running lights, high contrast wrap-around body cladding and wide stance is designed to make a statement wherever you go.

The Kona also features unique front and rear light architecture, with separated top and bottom lights stacked for extra impact.

The Kona doesn't simply allow you to express your personality, it encourages it – and with Kona, that expression can be as unique as you are.

Step inside.

They say it's what's on the inside that counts, and the Kona's interior counts for a lot – especially when it comes to space. It's a compact SUV, but sit inside and the Kona soon reveals its spacious self.

The Kona has far more room than you'd expect – from the generous boot, to the 60/40 folding rear seats, you'll always have space when you need it.

It's well appointed too, with a premium interior that you can style to suit. We've added heated* and ventilated** front seats, leather appointed upholstery* and a range of stylish additions.

Connect to the road, and your world.

With a host of advanced features, the Kona is designed for you to enjoy your love for technology whilst driving on the road.

A Head-Up Display on the dashboard projects a virtual image of important data (like your speed) right in front of your eyes, so you never have to take them off the road.

We've integrated Apple CarPlay™ & Android Auto® too. You can use the 7" (Entry and Elite) or 8" (Limited) touchscreen display to safely play music, make calls or get directions to your next destination via the maps app on your smartphone device or satellite navigation on Limited models.

You'll also find wireless smartphone charging* in the centre console, so you can easily recharge without the need for cables.

Actively safe.

There are two things we take very seriously – fun, and safety.

The Kona is fun to drive, but it's comforting to know that no matter where life takes you, you're protected by some of the most comprehensive, modern safety features in existence today. From a rigid body made of high strength steel for all round protection, to 6 airbags and a rear view camera with rear parking sensors – everything we do is to help keep you out of harm's way.

Hyundai SmartSense™¹ is working to protect you too. Every feature in this suite of intelligent safety technologies has one thing in common – they've been developed to help you be alert to (and avoid) any dangers around you.

From alerting you to approaching objects and potential collisions, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense™¹ provides peace of mind for you, and for us.

Rear view camera

6 airbags

Driver Attention Warning (DAW)
This driver protection feature helps monitor driving patterns in order to detect reckless or fatigued driving and prevent potential accidents. If the system detects inattentive driving patterns, an audible sound and message on the display panel will bring this to the driver's attention.

Lane Keeping Assist (LKA)
LKA provides steering intervention to assist the vehicle with keeping in the centre of the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

Blind-Spot Collision Warning (BCW)
When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter the blind spot, including during lane changes.

Forward Collision-Avoidance Assist (FCA)
Combining radar and camera data, the FCA system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead, or movement of pedestrians on the road.

¹ Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. High Beam Assist is only available on the Elite & Limited models.

Impressive performance.

The Kona's performance is just as exciting as its personality.

Built on a high strength, lightweight body, and with three drive modes (Comfort, Eco and Sport) to choose from, the Kona is a joy to drive.

Once again, it's entirely up to you. Choose from either the 2.0L MPi 2WD with 6-speed automatic, or the 1.6L Turbo GDi AWD with 7-speed dual clutch – which along with sharp throttle control and impressive torque, also allows you to get off road to explore even further.

Powerful, efficient, responsive and downright fun, the Kona really does encourage you to live a more intrepid life.

Hyundai's commitment to you

Our promise

We understand your decision to purchase one of our vehicles is not being made lightly and we thank you for putting Hyundai on your list. We know that by the time you decide which vehicle you want to purchase, you'll have had a good look at what's on offer in the market, and carefully weighed up the pros and cons of each. We hope you make the right decision for yourself. If you do decide to choose Hyundai, that won't be the end, it'll just be the start. Our goal is to live up to the confidence you've shown in us, by giving you the best customer service experience in New Zealand.

We call this the Hyundai Ownership Experience – which is a slightly corporate way of saying “we promise to look after you”.

The Hyundai Ownership Experience will actually start before you even have the keys in your hand, as your Hyundai dealer takes you through the things you need to know to get the most out of your new vehicle.

Personal handover

When you come in to pick up your new Hyundai, your dealer will take you through it from bumper to bumper. They'll show you where everything is and how everything works. They'll make sure you're across all those little things most people forget to ask about, like:

- » How to set up your mobile phone to work with Bluetooth
- » Where the tool kit is
- » How to connect and use your Apple CarPlay™ or Android Auto®.
- » Where to find the first aid kit
- » How to register, setup and connect to Auto Link

They'll also check there's either a full tank of fuel or it's fully charged, that the vehicle is spotless inside and out, and that any accessories you specified are fitted just so.

This is also our opportunity to introduce you to the service team, who'll be looking after you in the years to come.

“THE DEALER EXPLAINED THE TUCSON TO ME AND WAS PATIENT WHEN WE HAD QUESTIONS.”

— GARY COCKRAM HYUNDAI CUSTOMER FROM CHRISTCHURCH

Meet the rest of the family

There's a good reason why your dealer will introduce you to the rest of the family. They're the people entrusted to be hands-on through your Hyundai Ownership Experience – the team who'll look after you and your vehicle when you come in for scheduled servicing.

There's no charge for the first service, and it happens after the first month on the road. Then it happens every 10,000 / 15,000 km*.

It's always good to be able to put a face to a name. And knowing them means you can call personally to discuss any concerns. Our people are experts at what they do and keen to show you how good they are. It's a pride thing and we encourage it.

A superb warranty and Roadside Assistance

Every new Hyundai is protected by our 3 year / 100,000 km factory warranty. In a nutshell, if there's any manufacturing issues, we'll fix them. But there's more.

Hyundai Roadside Assistance is included as part of our new vehicle warranty. It means if you should have an accident, puncture a tyre or run out of fuel anywhere in New Zealand, we'll send someone to get you up and running again – 24 hours a day, 365 days a year.

Extending your warranty beyond the factory period can make your ownership experience better yet. It's certainly worth considering. Our extended warranties can later be on-sold with the vehicle, something sure to increase its eventual resale value.

Servicing from trained Hyundai experts

Regular scheduled servicing within our network has real benefits.

Our specialist technicians use Hyundai diagnostic equipment to spot things that may be missed by the untrained eye.

We use genuine Hyundai parts, of course. These parts are built and tested to be specifically correct for your vehicle and are covered by a 1 year / 20,000 km warranty.

Your safety and the safety of your passengers are our number one priority. We can't vouch for the safety or performance of non-Hyundai parts. They only have to be slightly off or incorrectly installed and the integrity of your vehicle will be compromised.

If the cost of servicing is a concern for you, committing to a pre-paid service contract from day one will cost you less in the long run. You can sign up for these to cover your servicing needs for every service interval, which is every 10,000 / 15,000 km* or yearly (whichever happens first). You can do this for as many years as you want, and they're available for any Hyundai, no matter how old.

*Servicing for petrol turbo models is every 10,000 km or 12 months (whichever occurs first)

Insurance

Our insurance offering is part of Hyundai's commitment to improving your ownership experience.

Hyundai Insurance offers several exclusive benefits not available with other motor vehicle policies. For example, if your Hyundai is still in factory warranty, was purchased from a Hyundai dealer in New Zealand and is damaged beyond repair, we'll replace it with a brand new one*.

There's no excess if your glass is broken (up to \$2,000 cost), and we'll cover (up to \$1,500 cost) for the trailer you were towing if that's damaged*.

You can be sure only guaranteed, genuine Hyundai parts will be used in repairs**, and that only approved repairers will be working on your vehicle.

We also offer a Hyundai Insurance specific 24 hour assistance number: 0800 123 266.

*See your Hyundai dealer for full terms and conditions.
**Applies to new vehicles for five years.

Hyundai Fleet

If you're looking for the right vehicles for your business, Hyundai has the perfect fleet solution for you.

Whatever your business size or requirements, you can get the job done by choosing from Hyundai Fleet's diverse range of 14 models and 3 trucks, all of which offer the latest in technology, efficiency, safety and style. And as a Fleet customer, you have the flexibility of a range of ownership and leasing options, as well tax benefits and great value servicing.

So, from the city loving Accent to the cargo carrying iLoad, our fleet services can provide the right vehicles to help drive your business forward. For more information visit www.hyundai.co.nz/fleet

In the company of Kiwis

The Hyundai brand has grown rapidly into a global auto industry powerhouse. But first and foremost, Hyundai New Zealand is a New Zealand company.

Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. That's something we're pretty proud of.

This structure gives you the best of both worlds. The benefits of global resources and the huge investment in Research & Development that Hyundai makes, combined with our local commitment and understanding.

We're also very aware of what it means to be a New Zealand company. Our commitment to being a good Kiwi citizen starts with our treatment of customers and extends out into their communities.

We've actively supported the National Agricultural Fieldays for over a decade. We sponsor Hyundai Country Calendar, put money into NZ sailing, and are major sponsors of the Spirit of

Adventure Trust. We're also extremely proud of our New Zealand sponsorship of Kiwi rally driver, Hayden Paddon.

Our sponsorships allow us to offer customers the chance to join us as VIP guests at many of our events, including on board the Spirit of New Zealand and at Fieldays. Look out for these invites from time to time.

The Hyundai Experience will continue to grow and expand. We really want to give you the most rewarding experience you've ever had with a company.

Hyundai Country Calendar visits Doug Avery and his mates on his North Island farm for a yarn.

The Pinnacle Programme

The Pinnacle Programme is a unique scholarship, backed by Hyundai New Zealand, which provides talented young New Zealanders between the ages of 15 and 18 with the foundations for future success. The Programme is open to young kiwis with talent in all areas of endeavours, including, but not limited to, art, sport, science and business.

Future New Zealand leaders as part of the Pinnacle Programme spend 21 days on New Zealand's iconic Outward Bound programme in Anakiwa, at the top of the South Island.

Hyundai Ambassador Team

Speaking of 0800 numbers, if you dial 0800 HYUNDAI (498 632), you'll be talking directly to one of our Hyundai Ambassador Team members in New Zealand. We operate a local call centre. Our team are trained to support you with any concerns, and they'll be able to help you out with anything you need them to.

We respond to every request, no matter how big or small, as quickly as we can. That's the New Zealand way of doing things, and it's our way too.

If it's an emergency you'll be put straight through to our Roadside Assistance team, who are trained to deal with any situation and will get someone out to you as quickly as possible if that is what is required.

Specifications, features, equipment and colours shown in this brochure are subject to change without notice or obligation. *Fuel consumption figures are based on ADR 81/02 tests and factory information. These figures are provided to assist you in comparing the fuel consumption of the Kona range with other vehicles. The actual fuel consumption will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. **Finishes specified as leather contain a combination of genuine leather, polyurethane leather (leather substitute) and man-made materials. *** Compatible smart phones only.

A colourful choice.

Style your Kona with four stylish interior trims, two-tone roof options, and a vibrant range of colours – including Acid Yellow, Ceramic Blue, Dark Knight and Tangerine Comet. With Kona, you'll find a colour combination to suit your personality and complement your lifestyle.
