

i30

100% Kiwi owned.

The Hyundai brand has grown rapidly into a global automotive powerhouse, but first and foremost we are a local business. Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. This means we are a New Zealand company helping New Zealanders grow.

Sensible safety

7-airbag system / Advanced High Strength Steel (AHSS)

The application of Hyundai's own Advanced High Strength Steel (AHSS) boosts driving and collision safety whilst reducing vehicle weight. A comprehensive array of 7 airbags protects occupants from all directions should a collision occur.

Smart performance

The i30 is more dynamic than ever before. A combination of advanced engines, including a high performance 1.6L GDi turbo engine, will excite you every time you and your favourite hatch are reunited. On the sensible side of things the i30 brings a full complement of active safety technologies to the table that are your extra ears and eyes whilst on the road.

Blind-Spot Detection (BSD)

BSD alerts the driver the driver about vehicles in your blind spots or vehicles approaching the rear of your car at high speeds.

Autonomous Emergency Braking (AEB)

The AEB system featured on N-Line models automatically alerts and applies the brakes if the path ahead is suddenly obstructed by other vehicles or pedestrians.

Lane Keep Assist System (LKAS)

LKAS on N-Line models uses the front camera to detect lanes and helps prevent the vehicle from steering from the lane by adjusting the steering wheel position.

Smart Cruise Control (SCC)

On N-Line models the SCC automatically maintains a safe speed and distance to the car ahead.

Interior features

Enjoy the latest in interior design and ergonomics. The floating multimedia screen sits pride of place in the centre of the dashboard and offers a large array of standard connectivity including Apple CarPlay™ & Android Auto®. The intuitive layout of the interior and its features allows for an emphasis on strong design combined with ease of use for the occupants.

i30 N-Line Performance redefined

After a bit more fun in your life? The N-Line represents the pinnacle in the i30 range with unparalleled power, control and style. Make more of your drive with the N-Line.

1.6L Turbo GDi engine

The perfect match for any challenge. Experience effortless performance with the powerful but fuel efficient 150kW turbocharged engine. This engine is unique to the N-Line model and offers Gasoline Direct Injection (GDi) combined with a turbocharger to increase power and torque outputs.

7 Speed Dual Clutch Transmission (DCT)

Experience full control with this highly advanced transmission. Offering lightning fast gear changes and complete control through the steering wheel mounted paddle shifters, this transmission is a capable partner for the Turbo GDi engine.

Sport interior trim

The interior of the N-Line exudes dynamic flair with subtle accents throughout the cabin including red seatbelts, red leather stitching and red surrounds for the starter button and air vents. An added touch is the stylish black roof headliner, which is unique to the N-Line model.

18" alloy wheels

Large aggressive wheels fill the wheel arches of the N-Line. These wheels also enable Michelin performance tyres to be fitted offering excellent grip in all conditions. Larger front brake discs for improved durability under hard driving conditions complete the package.

Independent Multi-link Rear Suspension

The N-Line model's dedicated Independent Rear Suspension (IRS) setup completes the package. This suspension setup enhances body control and ride comfort whilst improving stability under performance driving conditions.

Accessories

Make the i30 your own with a range of genuine accessories. Whether it's for appearance, practicality or lifestyle requirements, there is an accessory for every i30.

i30 2.0 in Polar White with optional accessories shown

Bonnet Protector
 Maintain your i30's pristine showroom look and guard against unsightly pitting from stone chips by fitting a durable, easy to install and UV-resistant bonnet protector, designed to fit your Hyundai perfectly.

Style Visors
 Slimmer than a full weather shield, these tough, tinted acrylic style visors enhance your i30's good looks. Allowing airflow into your car with the front windows partly open, even in the rain, they reduce fogging without you getting wet. They are also designed to be fitted without the need for drilling.

Headlight Protectors
 Designed to perfectly fit your i30's contours, these tough, easy-to-clean, UV-resistant headlight protectors save your headlight lenses from chips and marks.

Cargo Barrier
 Perfect for if you are regularly carrying goods in the back of your i30, this cargo barrier provides security and safe transportation of large items.

Custom Towbar & Wiring
 When towing, you need confidence in the hardware fitted to your Hyundai. Engineered to suit New Zealand conditions and to integrate seamlessly with your i30, Hyundai towbars are designed and tested to ensure years of trouble-free towing.

Roof Racks
 Uniquely profiled Hyundai roof racks look good while minimising aero-drag for improved fuel economy and reduced wind noise at highway speeds. All Hyundai roof racks provide maximum load carrying capacity for your i30 and are tested to New Zealand Standards.

Custom Floor Mats
 The tailored carpet floor mats are custom designed to suit your i30. Combining high quality nylon pile and a synthetic rubber non-slip backing, mat sets feature the added driver safety of mat locating clips. They are manufactured to meet specific automotive test standards covering durability, shrinkage and colour fastness.

Surfboard/Bike/Kayak/Snowboard Carriers
 Living on the edge? We have a full range of carriers for any lifestyle whether you like to live life on the mountain, river, water or the road.

Hyundai's commitment to you

Our promise

We understand your decision to purchase one of our vehicles is not being made lightly and we thank you for putting Hyundai on your list. We know that by the time you decide which vehicle you want to purchase, you'll have had a good look at what's on offer in the market, and carefully weighed up the pros and cons of each. We hope you make the right decision for yourself. If you do decide to choose Hyundai, that won't be the end, it'll just be the start. Our goal is to live up to the confidence you've shown in us, by giving you the best customer service experience in New Zealand.

We call this the Hyundai Ownership Experience – which is a slightly corporate way of saying “we promise to look after you”.

The Hyundai Ownership Experience will actually start before you even have the keys in your hand, as your Hyundai dealer takes you through the things you need to know to get the most out of your new vehicle.

Personal handover

When you come in to pick up your new Hyundai, your dealer will take you through it from bumper to bumper. They'll show you where everything is and how everything works. They'll make sure you're across all those little things most people forget to ask about, like:

- » How to set up your mobile phone to work with Bluetooth
- » Where the tool kit is
- » How to connect and use your Apple CarPlay™ or Android Auto®.
- » Where to find the first aid kit
- » How to register, setup and connect to Auto Link

They'll also check there's either a full tank of fuel or it's fully charged, that the vehicle is spotless inside and out, and that any accessories you specified are fitted just so.

This is also our opportunity to introduce you to the service team, who'll be looking after you in the years to come.

“THE DEALER EXPLAINED THE TUCSON TO ME AND WAS PATIENT WHEN WE HAD QUESTIONS.”

— GARY COCKRAM HYUNDAI CUSTOMER FROM CHRISTCHURCH

Meet the rest of the family

There's a good reason why your dealer will introduce you to the rest of the family. They're the people entrusted to be hands-on through your Hyundai Ownership Experience – the team who'll look after you and your vehicle when you come in for scheduled servicing.

There's no charge for the first service, and it happens after the first month on the road. Then it happens every 10,000 / 15,000 km*.

It's always good to be able to put a face to a name. And knowing them means you can call personally to discuss any concerns. Our people are experts at what they do and keen to show you how good they are. It's a pride thing and we encourage it.

A superb warranty and Roadside Assistance

Every new Hyundai is protected by our 3 year / 100,000 km factory warranty. In a nutshell, if there's any manufacturing issues, we'll fix them. But there's more.

Hyundai Roadside Assistance is included as part of our new vehicle warranty. It means if you should have an accident, puncture a tyre or run out of fuel anywhere in New Zealand, we'll send someone to get you up and running again – 24 hours a day, 365 days a year.

Extending your warranty beyond the factory period can make your ownership experience better yet. It's certainly worth considering. Our extended warranties can later be on-sold with the vehicle, something sure to increase its eventual resale value.

Servicing from trained Hyundai experts

Regular scheduled servicing within our network has real benefits.

Our specialist technicians use Hyundai diagnostic equipment to spot things that may be missed by the untrained eye.

We use genuine Hyundai parts, of course. These parts are built and tested to be specifically correct for your vehicle and are covered by a 1 year / 20,000 km warranty.

Your safety and the safety of your passengers are our number one priority. We can't vouch for the safety or performance of non-Hyundai parts. They only have to be slightly off or incorrectly installed and the integrity of your vehicle will be compromised.

If the cost of servicing is a concern for you, committing to a pre-paid service contract from day one will cost you less in the long run. You can sign up for these to cover your servicing needs for every service interval, which is every 10,000 / 15,000 km* or yearly (whichever happens first). You can do this for as many years as you want, and they're available for any Hyundai, no matter how old.

*Servicing for petrol turbo models is every 10,000 km or 12 months (whichever occurs first)

Insurance

Our insurance offering is part of Hyundai's commitment to improving your ownership experience.

Hyundai Insurance offers several exclusive benefits not available with other motor vehicle policies. For example, if your Hyundai is still in factory warranty, was purchased from a Hyundai dealer in New Zealand and is damaged beyond repair, we'll replace it with a brand new one*.

There's no excess if your glass is broken (up to \$2,000 cost), and we'll cover (up to \$1,500 cost) for the trailer you were towing if that's damaged*.

You can be sure only guaranteed, genuine Hyundai parts will be used in repairs**, and that only approved repairers will be working on your vehicle.

We also offer a Hyundai Insurance specific 24 hour assistance number: 0800 123 266.

*See your Hyundai dealer for full terms and conditions.
**Applies to new vehicles for five years.

Hyundai Fleet

If you're looking for the right vehicles for your business, Hyundai has the perfect fleet solution for you.

Whatever your business size or requirements, you can get the job done by choosing from Hyundai Fleet's diverse range of 14 models and 3 trucks, all of which offer the latest in technology, efficiency, safety and style. And as a Fleet customer, you have the flexibility of a range of ownership and leasing options, as well tax benefits and great value servicing.

So, from the city loving Accent to the cargo carrying iLoad, our fleet services can provide the right vehicles to help drive your business forward. For more information visit www.hyundai.co.nz/fleet

In the company of Kiwis

The Hyundai brand has grown rapidly into a global auto industry powerhouse. But first and foremost, Hyundai New Zealand is a New Zealand company.

Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. That's something we're pretty proud of.

This structure gives you the best of both worlds. The benefits of global resources and the huge investment in Research & Development that Hyundai makes, combined with our local commitment and understanding.

We're also very aware of what it means to be a New Zealand company. Our commitment to being a good Kiwi citizen starts with our treatment of customers and extends out into their communities.

We've actively supported the National Agricultural Fieldays for over a decade. We sponsor Hyundai Country Calendar, put money into NZ sailing, and are major sponsors of the Spirit of

Adventure Trust. We're also extremely proud of our New Zealand sponsorship of Kiwi rally driver, Hayden Paddon.

Our sponsorships allow us to offer customers the chance to join us as VIP guests at many of our events, including on board the Spirit of New Zealand and at Fieldays. Look out for these invites from time to time.

The Hyundai Experience will continue to grow and expand. We really want to give you the most rewarding experience you've ever had with a company.

Hyundai Country Calendar visits Doug Avery and his mates on his North Island farm for a yarn.

The Pinnacle Programme

The Pinnacle Programme is a unique scholarship, backed by Hyundai New Zealand, which provides talented young New Zealanders between the ages of 15 and 18 with the foundations for future success. The Programme is open to young kiwis with talent in all areas of endeavours, including, but not limited to, art, sport, science and business.

WWW.PINNACLEPROGRAMME.CO.NZ

Future New Zealand leaders as part of the Pinnacle Programme spend 21 days on New Zealand's iconic Outward Bound programme in Anakiwa, at the top of the South Island.

Hyundai Ambassador Team

Speaking of 0800 numbers, if you dial 0800 HYUNDAI (498 632), you'll be talking directly to one of our Hyundai Ambassador Team members in New Zealand. We operate a local call centre. Our team are trained to support you with any concerns, and they'll be able to help you out with anything you need them to.

We respond to every request, no matter how big or small, as quickly as we can. That's the New Zealand way of doing things, and it's our way too.

If it's an emergency you'll be put straight through to our Roadside Assistance team, who are trained to deal with any situation and will get someone out to you as quickly as possible if that is what is required.
